Form/Schedule: SA11AI

Transaction ID :

Please note that the PAC is aware that we follow an alternate method of itemizing payroll receipts rather than the suggested manner of disclosing a single total for the reporting period along with the amount deducted per pay period. Because the amounts collected per pay period may change often during the time covered by a single report, we find that reporting individual deductions separately more accurately discloses how the receipts are collected.

A diagram of a rectangular frame. It consists of a horizontal beam at the top and a horizontal beam at the bottom, connected by two vertical supports on the left and right. The top beam has several small rectangular protrusions along its length. The bottom beam has several small rectangular protrusions along its length, with the middle two being larger than the others.
